- 4) Click on the desired time on the desired day. If there is not a time listed the instructor is not available. You will be prompted to enter the secret code; the secret code is located in the confirmation email you received upon purchasing the lessons. Your child's name should be auto filled as well as your email address and phone number. After filling in all the required fields, click 'private lesson'.
- 5) You will see 'Success!' and a message letting you know the lesson is now pending. A confirmation email will be sent when payment is confirmed. Please wait for a confirmation email letting you know the lesson is confirmed with the instructor and date/time of the lesson. Lessons are confirmed within 24 hours of booking, during business hours.
